

OPTI-SHIELD COMPLETE FACE PROTECTION

Product Overview

LEE MEDICAL OPTI-SHIELD

Offers full face protection from splashes, sprays, splatters, or droplets of potentially infectious materials that pose a hazard to the eyes, nose, or mouth. The wrap around design of the Opti-Shield allows complete, distortion-free viewing. The foam band keeps the shield a comfortable distance from the face and does not interfere with most eyeglasses.

Product Features

- Adjustable foam headband
- Lies flat against chest when not in use
- Anti-fog shield
- Lightweight
- Cost effective

Your Benefits

- Guarantees a perfect fit for everyone
- Stays out of the way
- Gives optimum visibility while wearing
- All-day comfort
- Will last as long as more expensive visors

WHY USE OPTI-SHIELD

COMFORTABLE, COST-EFFECTIVE FACE PROTECTION

COMFORT BY DESIGN... Lee Medical's Opti-Visor gives complete facial protection and offers unsurpassed comfort. It is easy to both don and remove and fits over glasses. Our unbreakable, fog-free shields are easily adjustable and can be worn around the neck when not in use. At less than one ounce, Opti-Shield is comfortable even for long periods of wear.
