

VISOR-SHIELD COMPLETE FACE PROTECTION

Product Overview

LEE MEDICAL VISOR-SHIELD

Specifically developed for medical personnel, **Visor-Shield** is designed with the user in mind. Complete face protection from splashes of bodily fluids is offered by the solid visor and optically clear face shield. The shield is easily removed and replaced with our unique Velcro attachment. The variety of colors offers a way to coordinate by department, or gives employees their choice of colors.

Product Features

- Solid Visor
- Velcro shield attachment
- Anti-fog shield
- Extra shield included
- Variety of colors

Your Benefits

- Protects against fluids getting behind shield
- Easy, no-tool replacement
- Gives optimum visibility while wearing
- Can buy replacement shields-saving money
- Distinguish between staff members

Why use Visor-Shield

COMFORTABLE, COMPLETE FACE PROTECTION

PROTECTION BY DESIGN... Lee Medical's Visor-Shield gives complete facial protection. It's available in four attractive, patient friendly colors, and offers unsurpassed comfort. It is easy to both don and remove and fits over glasses. Our unbreakable, fog-free shields are easily removable and replaceable with a long life expectancy. Shields come packaged in protective film to insure optimal optical quality.
